

All About Us Graphs

Teacher Directions:

Find out more about the students in your class with these kid-friendly surveys! Simply print out the handy questionnaires and have students take turns collecting data from the class. Display the completed forms on a bulletin board titled "All About Us!"

The image shows three overlapping survey forms. The top form is titled "What color is your hair?" and has a "name" field. It features three illustrations of children's heads with different hair colors: brown, red, and black. Below each illustration is a vertical bar with ten boxes. The brown bar has four 'X' marks, and the total is listed as 4. The red bar is empty. The middle form is titled "What color are your eyes?" and has a "name" field. It features three illustrations of eyes: blue, green, and brown. Below each illustration is a vertical bar with ten boxes. The blue bar has three shaded boxes, and the total is listed as 3. The bottom form is titled "Which one would you like to be most?" and has a "name" field. It features five illustrations of professions: Doctor, Police Officer, Firefighter, Teacher, and Artist. Each illustration is followed by a horizontal bar with tally marks and a "Total" box. The Doctor bar has three tally marks and a total of 3. The Police Officer bar has two tally marks and a total of 2. The Firefighter bar has four tally marks and a total of 4. The Teacher bar has one tally mark and a total of 1. The Artist bar has two tally marks and a total of 2.

What color is your hair?
name _____
Put an X under the answer.
