

JUNCTION STEM TABLE

Description

The **Junction Table** is the core of our Project Hub Collection. A furniture collection designed for students and educators to connect and collaborate, engage in design thinking, and prototype their ideas.

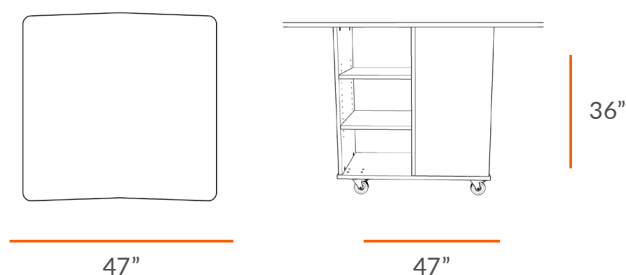

The very sturdy **Junction Table** is ideal for project-based learning in STEM labs, art studios or any project oriented space. The heavy casters allow the table to be easily moved as needed, and contains ample storage for materials and loose parts.

Product features

- Edges to top all smoothed and finished
- 4x lockable heavy duty castors
- Adjustable shelves
