

### GATHER FLIP TABLE

#### Description

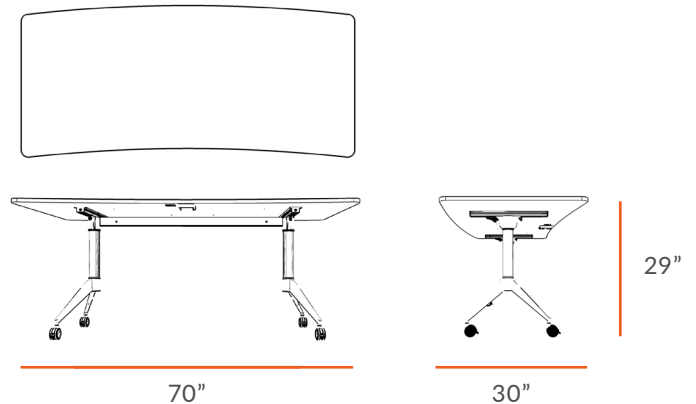

##### Gather - Table - Crescent Curve - Flip Legs in Fusion Maple

Our Flip Top Gather Tables bring together function and versatility, ideal for creating flexible learning spaces. The fixed height legs contain a simple to use, durable, pull latch mechanism that allows users to quickly flip the table top from a horizontal writing surface to a vertical presentation board. When the tables are not needed they can quickly be wheeled away and nested together for storage.

Suitable for all learning environments including K-12, higher education and common spaces.

#### Product features

- Edges all smoothed and finished
- Nests together for storage
- Can be tilted for mobile display
- Lockable casters

#### Materials

- Europly FSC certified hardwood plywood (FSC R 012337)

# natural pod™
