

GUIDE EDUCATOR

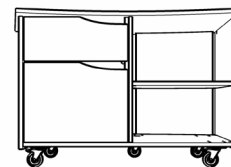

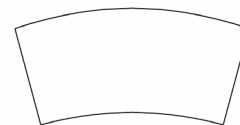

Description

The Guide Educators Desk offers a large, subtly curved work surface. Two open shelves on one side and a cabinet and drawer on the other provide ample storage for learning materials and personal items.

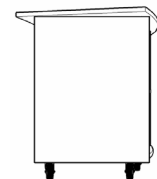

Our wide range of **Guide Educator Desks** and **Filing Cabinets** are designed with flexibility in mind to meet the needs of busy educators. Offered in different shapes and heights with a variety of storage features to suit the individual needs of educators or the subjects taught.

Product features

- Heavy duty lockable castors
