

Description

Infant Chair with Seatbelt 10"H. Age 0-2

These little chairs were designed with infants and toddlers in mind by giving them the support they need in order to stay safe and focused on whatever is in front of them. The size and sturdiness allows for easy maneuvering and there are optional seat belts for those young ones that need extra help staying upright. Designed to compliment our **START Infant Tables** or **REACH Tables**.

The Steady Infant Chair includes a child proof buckled belt so you can feel confident that your little ones are safe and secure.
