

Description

Collect - Cubby - Upper 8 are exceptionally sturdy and have been designed in a wide range of shapes and sizes to meet the needs of both early childhood and K-12 learning environments. The collection consists of floor and wall cubbies that can be mixed and matched to suit your space and storage needs.

The Collect Cubicle Upper 8 is a wall mounted storage unit consisting of 8 adjustable cubbies. This piece is a great companion to our lower cubby units. Use it to store materials or to keep personal items off the floor. Mounting hardware is not included.
