

Description

Collect-Cubby - Upper 4 are exceptionally sturdy and have been designed in a wide range of shapes and sizes to meet the needs of both early childhood and K-12 learning environments. The collection consists of floor and wall cubbies that can be mixed and matched to suit your space and storage needs.

The Collect Cubby Upper 4 consists of 4 fixed compartments. This wall mounted storage unit is a great companion to our lower cubby units. Use it to keep materials off the floor or as a display shelf in an office or common space. Mounting hardware is not included.
