

Description

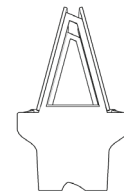

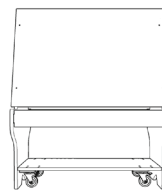

Imagine - Art Easel - The Imagine Art easel is large enough for 1-2 artists per side. It features heavy duty locking castors, allowing it to be easily moved from one space to another. Included with the easel are two sets of 6 glass paint jars that fit perfectly on the easel trays. Additional storage between the easels and on the lower shelves for pots, paints and other materials makes this piece a great addition to an art station or atelier.
