

WONDER LOFTS

Description

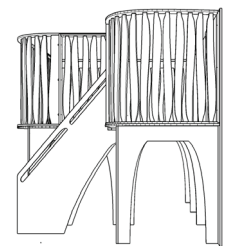

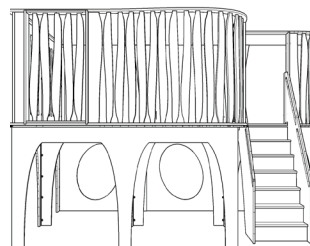

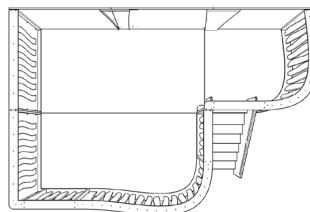

The Anna Loft is our largest play structure for spaces that want to maximize their vertical real-estate. Enjoy spending time with up to 8 friends on the large platform or create a hidden retreat using the space beneath the loft. To best fit your space, this model can be assembled with the stairs coming off the side or the front of the loft. This free standing, self supporting loft is sure to bring the “WOW factor” to your space.

Product features

- Double level
- Structurally self supporting
- Two alternate locations for stairs
- Weight limit: 1200lbs (max.8 children or 4 adults)
