LET'S GET YOU LOGGEDIN Experience all the benefits of a

Wintergreen.ca account.

WEBSITE FEATURES

All we require is the name and email address of anyone purchasing for your organization. *It's just that easy!* We will set up everyone with a Wintergreen.ca login.

Once logged in, you get access to all these features, making your purchasing experience more productive.

QUOTES

Utilize our quotes feature. Once logged into your Wintergreen.ca account, you will see both our cart and quote options. Simply submit your quote to us and we will review your order before you confirm the order.

CART EXPORT

You can export items in your cart to a CSV or an Excel file, within modify cart. You can also empty an entire cart. This feature is an option when you use the web for pricing but place an order using a different method (e.g. customer service) and want to empty the whole cart, rather than one at a time.

ORDER EXPRESS

Upload an Excel list with quantities of items to populate into your cart.

PRODUCT AVAILABILIT

When searching within a category you can see what's in-stock quickly. Items will show our inventory. When we have stock it is ready to ship. Items that are on backorder have expected date of arrival to our warehouse.
