

Star of the Week

First, create a bulletin-board display that you can use all year to feature the student of the week. Send home the parent letter and the Star of the Week reproducible. Invite the student to fill out the reproducible and bring it to class along with a few favorite photos. Showcase the items on the board so everyone can learn about the student's unique interests and hobbies!

Next, invite your star student to cut out and color the Star of the Week label. Tape it onto her desk or the back of her chair to give her the royal treatment all week.

Then, photocopy the star cutouts onto yellow construction paper and encourage other students to use the cutouts to write complimentary notes to the star student. Bind the cutouts into a book. At the end of the week, your special student will enjoy taking these star notes home as keepsakes!

Finally, give your star student a few extra privileges throughout the week! Invite her to read a favorite book to the class, serve as the line leader, or choose a special game or activity for the whole class to enjoy!

Dear Parent or Guardian,

Congratulations! Your child, _____, has been selected as next week's Student of the Week!

During this special week, your child will be featured on a bulletin board in our classroom. Please help your child fill out the attached Star of the Week form and return the completed form by Monday. In addition, please help your child select a few photographs to display on our Student of the Week board. These can be portraits or snapshots of your child alone or with family and friends. I will return the pictures to you at the end of the week.

Thank you for helping us honor your child as Student of the Week!

Sincerely,

Your child's teacher
